

WELCOME TO GRUENEJOBS.DE!

We are glad to have you visiting our site. Currently Ukrainian refugees are arriving in Germany, that have been previously employed in the horticulture industry and are now looking for suitable employment. We want to help!

FOR EMPLOYERS LOOKING FOR PROFESSIONALS:

We are offering you the opportunity to post your job offer free of charge on [gruenejobs.de](https://www.gruenejobs.de), granted you are willing to fill the position with a refugee professional. Please send your job offer (as a PDF or text file) as well as your logo to anzeigendispo@haymarket.de. We are then going to publish the job offer for you on [gruenejobs.de](https://www.gruenejobs.de) – for free.

Important: Please use the keyword “Ukraine” in the subject line of your e-mail, so we can automatically categorize your offer and you are not being charged for posting a job offer.

What does the further process look like? Your offer will be published directly on [gruenejobs.de](https://www.gruenejobs.de) and will be marked accordingly, so that it is evident, that your offer also applies to Ukrainian refugees. Should you have further requirements or information for your potential recruits – such as an offer for lodging or language skills – feel free to add those to your offer. Due to refugees having access to translation services it is not mandatory to have the job offer translated.

You already have a job offer posted on [gruenejobs.de](https://www.gruenejobs.de) and still wish to partake in this campaign? No problem! Feel free to send us an updated version of your existing job offer, should you be willing to fill the position with a refugee professional. Refunds for already published job offers are not possible.

FOR REFUGEES LOOKING FOR EMPLOYMENT:

Look out for the shorthand symbol [UKR] or the Ukrainian flag during your search under “Stellenangebote”. These offers are explicitly suitable for refugee professionals.

Still looking for a fitting offer? You are welcome to send us a job application with your requirements and qualifications: anzeigendispo@haymarket.de. We will gladly publish your application on [gruenejobs.de](https://www.gruenejobs.de) free of charge. Please formulate your application in German or English to the best of your abilities. Furthermore, please provide contact information, so that a maximum number of potential employers can reach you.

FURTHER QUESTIONS?

For additional questions or requests feel free to contact us: anzeigendispo@haymarket.de or via telephone: +49(0)531 38004-0

We will gladly provide assistance!
