Nursery Manager South Sweden

We are looking for a Nursery Manager for our **forest nursery** in Restad, Laholm, since our current manager is planning his retirement after 30 years on the job. The nursery is one of Sweden's largest forest nurseries for bareroot plants.

As manager you play a central role in managing and improve our business together with our team. You will be responsible for the daily operations of the nursery, including budget, production, staff, and expedition. You are also a keyperson in the long-term planning and progress of the operation together with the manager of our company.

We are looking for a person with experience from open ground nursey. You are able to work independently and also together with the team. You have good leader skills and have the ability to create a positive and engaging work climate.

If you are interested send your application with **CV and references to [max@ramlosaplant](mailto:max@ramlosaplant.se)**. We go through the applications continuously but the **deadline for application is February 20, 2025**.

For questions, please contact

Max Jensen, 070-3350901 or via email max@ramlosaplant.se
